

**TOGETHER WE ARE STRONGER**

36 S Semoran Boulevard, Suite D

Orlando, FL 32807

May 6, 2025

To Whom It May Concern:

Keiser University is critical to the City of Orlando and its surrounding community because of its contributions to non-profit organizations and the education opportunities it provides low-income students. Feed & Fortify Community Organization supports Keiser University and Keiser University students receiving the Florida Effective Access to Student Education (EASE) Grant to support their education at Keiser University.

Feed & Fortify Community Organization is a non-profit organization that has served the poor and homeless community in Orlando for over 10 years. It partners with Title 1 Orange County Public Schools to identify children and families in need.

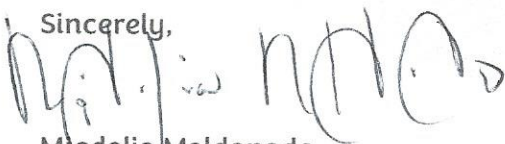

Keiser University contributes to Feed & Fortify Community Organizations' drives for crockpots, school supplies, warm clothing, and holiday gifts for the homeless and poor communities in Orlando. Feed & Fortify Community Organization has also supported Keiser University students with paying rent and utilities, so their students would not become homeless or have their utilities turned off. Keiser University has hosted events for Feed & Fortify Community Organization to collect crockpots and school supplies for homeless and poor families in Orlando.

Keiser University provides students with educational opportunities to receive college degrees related to in-demand career fields. Keiser University has been recognized every year for social mobility by *U.S. News & World Report*, providing students a return on their investment to attend Keiser University. I have seen firsthand the contributions Keiser University has made to the community. I have also seen the personal financial challenges Keiser University students have had to enroll in and complete their education at Keiser University. The education Keiser University provides students with the opportunity to change their lives and not only support themselves, but also their families, their communities, and the State of Florida, where they live. Any contribution, but particularly the Florida EASE Grant, to support students' education at Keiser University is a wise investment for the State of Florida and for the local communities throughout the State of Florida.

I would be pleased to discuss Keiser University and the support of its students further at (407) 730-6102 or [feedandfortifyorg@gmail.com](mailto:feedandfortifyorg@gmail.com).

Thank you for your continued support of Keiser University and its students.

Sincerely,

Mgdalena Maldonado  
CEO/President

***Release for Use of Photograph / Testimonial***

As a strong partner in the community, I hereby authorize Keiser University, its employees, assignees, or agents, to use, reproduce, or distribute my photograph or photographic likeness, videotaped image, and / or testimonial, individually or incorporated into any document(s) having as its (their) function any lawful purpose including but not limited to:

1. Advertising / Promotions
2. Illustration
